**TABBY TOM CAT** problems are being encountered with a tom cat that is causing a great deal of trouble. He is a tabby cat and cries constantly through the night in the Old Post Office Lane/junction of Main Road area. He is also spraying gardens including garden furniture making it absolutely stink and unusable. It is becoming quite intolerable. During the hot weather he is also taken to climbing on roofs and trying to get access through bedroom windows which due to the hot weather have obviously been open. Could the the owner come forward and resolve the matter. He clearly needs to be neutered! Thank you.

**CHURCH NEWS** Dear Friends

Over these summer months, through these letters, I am exploring the idea of pilgrimage. Pilgrimage has three important aspects – the journey, the destination and the going home – and this month I'm considering 'the destination' and the 'going home'.

The destination of a pilgrimage is probably the first thing we decide on. There are many possible destinations for a pilgrimage – some very well-known like the Holy Land, Rome, Lourdes, Santiago or, in this country, Iona, Lindisfarne, Walsingham. In addition to these well-known places, there are numerous places of pilgrimage – and probably some near anyone reading this – where the holiness and presence of God may be known and felt by those open to receive them.

Strange as it may seem, the most important part of pilgrimage is going home, because the purpose of pilgrimage is to live more fully once we return to our daily lives. We will not return as the same people who set out. It was T.S. Eliot who wrote :

*"the end of all our exploring  
will be to arrive where we started  
and know the place for the first time"*

*T.S. Eliot 'The Four Quartets'*

Wishing you every blessing

*Paul Hatfield*

## Peninsula Villages

Community Land Trust

### INAUGURAL MEETING OF PENINSULA VILLAGES CLT

On Wednesday evening 3rd July vast numbers of people were glued to their televisions watching the England team creating footballing history. Meanwhile in Hollesley Village Hall, speakers on behalf of the Peninsula Villages CLT and an audience of around sixty people were together creating an historic event of a different kind - but perhaps a very important one for all of us who live in villages on the peninsula.

Chaired by Anna Hardwick assisted by PVCLT trustees and guest speaker Debbie Wildridge, the meeting opened with a clear overview of the structure and purpose of a Community Land Trust. The audience had a chance to ask questions and make comments about this new and exciting venture.

The knowledge and commitment of the speakers, who dealt with practical matters such as the setting up, governance, policies, and the financial basis for offering genuinely affordable housing in our very expensive part of the world, was clearly appreciated by the audience. A measure of their success in reaching their audience was most signed up to become voting members through the payment of a pound membership at the end of the evening. In years to come there could be many people, young and old, who will have the chance of somewhere to live in our villages thanks to this initiative. It offers a great chance for people not to be priced out of the area.

Application forms are available from Gerry Bathe and Christine Block and on the website:

[www.peninsulavillagesclt.org](http://www.peninsulavillagesclt.org)
