CHURCH NEWS

Dear Friends

The 12 days of Christmas come to an end on January 6th – a day when many Christians, particularly in Eastern Europe, celebrate Christmas itself and here in the west we remember the visit of the wise men to the infant Jesus. From their visit we learn that being enlightened can take you on unexpected paths. T S Eliot describes the journey of the magi as an arduous, unsettling experience, with people telling the magi that their journey was not worthwhile. Yet their world is turned upside down. What they found was not at all what they had expected.

January is a time of new beginnings. Our thoughts turn to plans for the coming year – perhaps a life-style change, losing weight, taking up a new hobby, planning a holiday, a change of job or home. Like the wise men, following our “star” may lead us in unexpected directions and with unexpected results.

As part of our commitment to discovering the journey that God is calling us to take, we are arranging a 4 week course on Wednesday evenings on 16th, 23rd Jan & 6th, 20th Feb. Please contact me for further details.

Following God’s call can bring anxiety. It creates rootlessness, wandering and instability. Jesus’ disciples, too, knew that sense of ‘what on earth is going to happen next?’ They were called to a life of wandering and wondering.

But the wonder, the amazement of God’s presence – a glimpse of the shimmer of God’s light, an echo of the whisper of God’s voice, starlight in a velvet sky – all this catches our hearts and takes our breath away and reassures us that God is, wonderfully, with us.

Wishing you every blessing in 2019

Ruth Hatchelt

Thank you again.

A BIT OF CRAFT, CHAT AND COFFEE do you enjoy doing crafts? If so would you be interested in meeting in the Memorial Hall on an informal basis, do you have a particular craft that you enjoy doing and would be prepared to share with others? A group of ladies in Sutton would like to organize craft sessions in the Memorial Hall. They realise that people who work might like to join in and consequently have decided that an evening session would probably be best and in the hall diary a Wednesday looks like a good evening to try. It would be run very informally a small charge would be made to cover the cost of the hire of the hall and refreshments. If you are interested then please contact Sue Collins on 01394 411793.

WOODBIDGE PROBUS is a club for retired and semi retired people who have had an active life. We meet on the first Monday of each month at 12.15 at Woodbridge Golf Club where we have a social drink, followed by lunch and a speaker; who on Monday 5th February is Edward Rees from Scottish Power Renewables. He will be telling the story of East Anglia One, a massive array of 102 Wind Turbines out in the North Sea, which will generate an enormous 714 megawatts of electric power. Two 73km underwater cables will deliver power to Bawdsey, from where they go under the Deben and around Ipswich to Bramford to feed into the National Grid.
