DEER Whilst we all enjoy living in a rural and woodland area sadly a number of deer get injured or killed on the roads. Here is what to do locally if you have an accident involving a deer or see a dead one on the road.

First of all look for somewhere safe to stop. When you have parked, call the police non-emergency number 101 (not 999) to report the accident.

They can then contact a professional to help the injured deer.

If the deer has died get help to remove it from the road and call East Suffolk Norse who will arrange disposal. Call 03450 402020 or email esn.info@ncsgrp.co.uk

They will require: A full description of the location including road names/numbers and postcode if known.

Any other useful/relevant information to help the crew complete the request.

You will not be prosecuted for killing a deer. There are over 50,000 per year killed nationally year so take care when driving.

PLAYGROUND NEWS It is with great sadness that our large wooden climbing structure in the playground has almost come to the end of its life and before it becomes unsafe we have decided to remove it. This will happen over the next couple of months. The children in the village have had many happy years of playing after it was so kindly donated to village from the American Air Force Base at RAF Woodbridge around 23 years ago.

We are currently working hard to fund raise for a new piece of equipment to go in its place, this may take a little while. So please look out for future events coming up. Thank you for supporting us on this.

100 CLUB will be set up to raise funds for the new item of play equipment. If you would like more details regarding this scheme please contact Sue on 01394 411793.

Only glass and newspaper items can be disposed of in the recycling banks, any items such as carrier bags and cardboard then have to be taken away for disposal by volunteers on the Hall Committee. Can we please ask that **you do not leave** any cardboard or bags in the area by taking them home with you. Thank you.

SUTTON MEMORIAL HALL AND RECREATIONAL GROUND COMMITTEE The Memorial Hall and it's surrounding Recreational Ground is a vital asset to the village and the wider community. CHURCH NEWS Dear friends

'Bittersweet' is a description which can be applied to the Christian festival of 'Candlemas' otherwise known as the Presentation of Christ in the Temple on February 2nd, celebrating the occasion when the infant Jesus, as was customary for a first-born, male Jew, was presented in the temple in Jerusalem. The elderly Simeon recognised Jesus as a 'light to lighten the Gentiles' but also predicted trouble and suffering ahead. On 2nd February, Christians look back with joy to Christmas celebrations and forward towards Lent, Holy Week and Easter with their themes of testing and suffering but also of new life. Bittersweet.

2nd February is also half way between the winter solstice and the spring equinox and therefore has other beliefs and customs associated with it. Winter is not yet over but spring is on its way. According to tradition, if the day is sunny and bright we can expect more winter weather to come and vice versa. Bittersweet.

And 'bittersweet' is a good description of my feelings as I write this final letter for our village magazines and prepare to leave our home and ministry here. There are so many memories from the last 10 years that I hold dear; it has been such a privilege to share your joys and sorrows and to be part of the life of this community. We will miss the people and the place so much and hope to keep in touch and return to this lovely part of the country from time to time. But Michael and I also look forward to moving to our own new home in Tiptree during March, to a new phase of our ministry and also to leaving the freedom and space for new possibilities and initiatives in these parishes for the future. Bittersweet.

We hope that you will all feel welcome to join us for a final service at All Saints' Church, Hollesley at 11am on 2nd February and/or at the bring and share lunch afterwards at Hollesley Village Hall.

With my love and prayers

Ruth

PROBUS Our AGM on the 6th January was a meeting with much sadness as members learnt of the sudden death of our secretary Ray Hooper on New Years Day. Ray had been a former chairman and served Probus in several capacities for many years. Anything you needed organising, you went to Ray knowing it would be in safe hands and he ran our excellent web site woodbridgeprobus.org.uk. We stood in silence to his memory and our thoughts are with his wife Susan and the family.

Roger Brown our treasurer assured us that we had a healthy balance. Erik Crichton our new Chairman outlined the coming years activities and presented a list of speakers for 2020 and gave a vote of thanks to Tom Zabel our outgoing chair for an excellent years service. All the existing committee members agreed to continue. Our next meeting is on **Monday 4th February** when we have a speaker from Co-Op Estate planning entitled '**Tax, Care and Toy Boys, a will is not enough**'. Planning and protecting what you have worked hard for has never been more important. Long term care fees, Mental incapacity, What next? Subjects which will make us sit up and think. Do have a look at our web site or you can call Howard Davies at 01394 385023. Come and have lunch, we would like to meet you, we are a friendly lot.
