## **FROM COUNCILLOR JAMES MALLINDER**

Dear Resident

As my ward is the largest single member ward we felt a joint meeting might help to work as a single entity and so over the last year or so we have had quarterly meetings with all clerks and local parish councillors from across the Deben . Many issues are the same and I personally find it a good way to give general announcements and see how we can support each other.

End of last year we all felt the flooding and state of the roads were the worse we had ever seen .

Highways in general do repair but this is only dealing with the effects. What we really need to look at the cause .

All parishes in the Deben Ward have now passed details of road issues to Butley parish council and they have made an extensive map and collection of photos giving evidence .

We have made sure they are all marked on the Highways reporting system and we have sent the information to our County Council through our councillor, Cllr Reid .

I will work with Cllr Reid to look at how these issues can be dealt with and hope very much a meeting will be arranged with the principle farmers and highways .

These issues of flooding / sandy and dirty roads, are a concern to all of us and I hope this initiative will start to focus all stakeholders to deal with the issue once and for all .

A big thank you goes to David McGinity and Jean Dean from Butley parish council for collecting the data and making an excellent presentation .

If you do see further evidence of deterioration of our roads or further flooding please report this on the highways reporting tool

[www.suffolk.gov.uk/roads-and-transport/highway-maintenance/report-a-highways-issue/](http://www.suffolk.gov.uk/roads-and-transport/highway-maintenance/report-a-highways-issue/)

or contact any of our parish clerks and they will report it for you .

Many thanks and kind regards

Cllr James Mallinder East Suffolk , Deben ward member

**WOODBRIDGE PROBUS** The talk at our February meeting by Co-Op estate planning drove home some hard facts about how easy it can be to lose your inheritance and investment and the sideway 'toyboy' inheritance can be frightening. The speaker at our next meeting on Monday 4th March will be John Griffith on 'Ipswich Airport remembered'. Many of you will remember the airport and trips to the continent. Aviation started in the area in 1912, but the first airport was not created until 1927, followed by the Nacton Heath Airfield in 1930, Our photo shows an Auster Aircraft over the airport at that time. Civil aviation flourished there until its takeover by the RAF for the duration of the war. It was then used for flights to the continent and as a centre for private flying. The sad end came in 1996 with a housing development. Our meetings are in Woodbridge Golf Club on the first Monday of each month. A social drink, lunch and a speaker. Our website [woodbridgeprobus.org.uk](http://woodbridgeprobus.org.uk) will tell you all or you can contact Howard Davies at 01394 385023
