CHURCH NEWS Vicars Voice for May Extraordinary Time

When I took my coffee and toast out into the garden the other morning as the sun was beginning to shed its light on it, I saw that the shrubs looked bright and beautiful; the forsythia was a burst of yellow, and the trees were budding with the promise of flowers and fruit. Everything looked so much more cheerful. Spring has not yet removed the hint of chill from the wind, but the freshness of the day lifted my spirits. Seeing these wonderful gifts of nature made me remember yet again that ordinary things of life can be extraordinary. We often say, 'this is just another ordinary day.' Well when you consider all that goes into making the sun rise, the flowers open, the dew evaporate and the birds sing then shouldn't each day be a chance to do or appreciate something wonderful? Shouldn't we just take a moment 'to stop and stand and stare?' and in the staring shouldn't we remember to give God the glory? The great Blues guitarist, Bo Diddley used to tell his audience, 'I thank you in advance for the great round of applause you are about to give me!' Don't you find that if you go through life expecting the worst of people, you get just that, but if you expect the best then more often than not people will exceed your expectations? If we always do our best, whatever that might look like, then we find ourselves rising to the occasion, the occasion of living our life. I remember when I was a child my Dad would just stop when we came to a beautiful view or an amazing sight of natural beauty and say, 'Now there is one for the list.' Not a bucket list, but a list of blessings – an inventory, if you like, of all the things that money can't buy. It was a time to stop and stand and stare in awe and wonder - A time to praise our creator God. Four when our lives are filled with moments when we see God's hand in everyday life something amazing happens - Ordinary life becomes extraordinary and the process of life begins to nourish our souls. I wish you an extraordinary day.

Love and Blessings, Mandy x

SANDLINGS PRIMARY SCHOOL Hello and greetings from everyone at Sandlings.

The Spring term seemed to whiz by and now we are in May!

Children were very busy at the end of the term with all of their DT projects which involved a lot of sawing and learning to "measure twice and cut once!" Years 5 and 6 made cam toys, children in years 3 and 4 linked levers to make extendable barriers and our youngest pupils designed and made litter pickers using a pivot lever mechanism. We have all been extremely impressed with our young designers!

Every term, Padre Trevor from Rock Barracks leads one of assembly's, and at the end last term he led an assembly on the theme of foods associated with Easter. His assemblies are so engaging, particularly as he always manages to incorporate a magic trick, which flabbergasts the children! We ended the term with two days of life skills activities, which included printing, baking hot cross buns, building bug hotels, planting sunflowers and team challenges in our very own escape room! Don't forget you can follow us on Facebook <https://www.facebook.com/SandlingsPrimarySchool/> and Twitter @SandlingsP

Best wishes Miss Toal and the Sandlings Team

LESLEY PARKINSON, SUTTON will be walking part of the Jurassic Coast Challenge in May, along with two of her cousins, to raise money for Mind. If anyone would like to donate to this, the JustGiving link is www.justgiving.com/fundraising/LesCorneatos.
